Please Be Our Survey Monkey

As part of our ongoing efforts to better serve you, we have created an anonymous customer satisfaction survey that takes less than 10 minutes to complete.

[Click here](#) to take the survey and to receive a coupon as a token of our appreciation.

Thanks for helping us grow and improve by taking the survey!

Anniversary Bash

We're 1! It's hard to believe that the store is already one year old. Over the past 365 days, Green Home Experts has served thousands of customers throughout the Midwest.

It has been a pleasure to serve you, our customers, who are leading the way in creating a better world for the future. You are on the cutting edge of the green movement, and we are humbled and honored to serve you.

One year ago, this store was just four walls with a really bright color on them. Since then, you have filled us with laughter, victories small and large, and--most importantly--friendship.

To commemorate our 1st birthday, please be our guest at our 1st Anniversary Bash. Enjoy refreshments, learn more about green living, and celebrate the unveiling of our [Kitchen & Bath Gallery](#) and our [new mural](#) by local artist Robert Baker.

All are welcome to attend this momentous occasion. [Please RSVP here](#) or call the store to ensure we can accommodate everyone.

Throughout February, we invite the public to celebrate our birthday by bringing in items from the Oak Park Animal Care League's wish list or the OPRF Food Pantry (Please see the wish list at [GHExperts.com](#)). Get 10% off your purchase when you donate.

Looking forward to celebrating with you all month long!

Yours,

NatureMill Update

Several customers were intrigued by the NatureMill composter information in last month's issue. We're pleased to let you know that now, all NatureMill models are approved for pet waste. As a result, every model now costs \$299.

We are currently taking orders for NatureMill composters. Take advantage of this exclusive offer and get \$10 off your order when you mention the newsletter. Offer good through February.

Maria Onesto Moran
President

New Products that Reduce Packaging Waste

Our focus for 2009 is reducing packaging in all of our products, especially our cleaning products.

As a result of these efforts, we are now proud to offer the Restore Cleaning line: all-purpose, glass, dish oven and grill, laundry, and hand & body soaps. After you've used up your first bottle, bring that in for a refill, get \$.25 off, and you'll significantly reduce your packaging waste.

We are also taking orders for Charlie's Soap in 5-gallon pails. This is a fantastic way to save money on unscented laundry and all-purpose soaps. Please [contact us](#) for pricing information.

**Save
10%**

In honor of our anniversary, we are collecting donations for the [Oak Park Animal Care League](#) and the [OPRF Food Pantry](#). Receive 10% off your purchase when you donate. Please see our [wish list](#) for more information. No need to print this coupon--your donations are your coupons!

Pass the savings along by forwarding this to your friends!

Offer Expires: 2/28/09
