## Warm Up with Cool Ideas

(And 25% off holiday items!)

### Dear Friends,

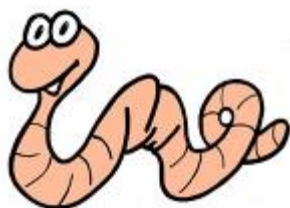

Happy New Year! With 2010 upon us, I've made new green resolutions and posted them on our [GreenBlog](#). I hope you'll take a minute to visit the blog and share your resolutions with us. The new year gives everyone the opportunity to make new changes for a healthier home, family and planet. To us, it means bringing you new events, learning opportunities and products.

If it's been a while since you visited our [blog](#), [Facebook](#), or [Twitter](#) pages lately, I hope you'll visit us there soon. These are great ways to stay connected and up to date on everything that's going on. And if you have 5 minutes, please take our customer satisfaction [survey](#)--it will help us serve you better in 2010, and you get a coupon too!

Looking forward to seeing you soon in the shop or in our virtual community!

Yours,  
Maria Onesto Moran

### Vermi-Party

### Take the 5x10 Challenge!

7pm-9pm @ GHE

### Clutter Clear for the New Year!

Tuesday, January 26th,  
6:30-8:00pm. Worm  
composting enthusiasts,  
novices, and the vermi-curious  
are invited to attend. Come with  
your questions, advice, pictures,  
and have fun! [RSVPs](#) are  
appreciated by email or (708)  
660-1443.

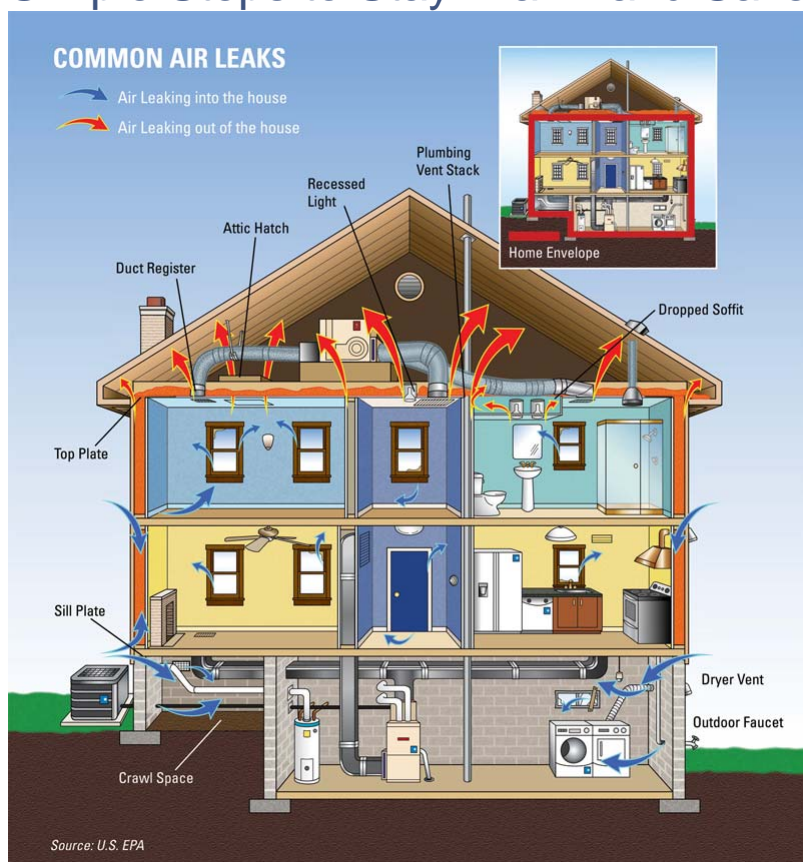

Green is a journey, not a destination. This free workshop will help you examine your home energy usage, prioritize your energy improvements, and take advantage of federal tax credits. Learn five easy steps toward energy efficiency, cutting your energy bills 10-30% and improving the value of your home.

Space is limited to 20 participants. Please RSVP by [email](#) or (708) 660-1443.

Whether you are a committed clutterer or just want your place to become more harmonious, this two-session class can be **TRANSFORMATIONAL**. Your home or office is a metaphor for your life. When you **LOSE** clutter and obstruction, you can **FIND** time, money, well being and peace; the joy of found treasures and found Self!

Thursdays, January 14 and 21,  
7:00 - 9:00 PM @ GHE  
\$81/person. Includes free  
1-hour consultation between  
sessions. Special recession  
sliding fee available. Click [here](#)  
for event flyer and to register.

## Simple Steps to Stay Warm and Save \$

**Windows:** Minimize heat loss by installing window guard kits. Reusable 72"x82" kits are \$12.99 each.

**Airseal:** Prevent air leakage with caulk (\$7.99-\$8.50/tube), spray foam and weather stripping (prices vary).

**Insulate:** Do it this year, and save up to \$1500 through tax credits. Remember to use [eco-friendly materials](#) to make it a truly green project. Learn more about recommended levels of insulation from [EnergyStar](#).

Don't know where to start? [Contact us](#) to ask about an energy audit, weatherization contractors, and more!

**2010 is your year** to save money on insulation and energy efficiency improvements. Green Home Experts offers several different insulation products that qualify for the credits, including blown-in cellulose, spray foam, and recycled denim. Learn more about the tax credits [here](#) and stop in to get started on your home!

**Save  
15%**

Take 15% off your next purchase of in-stock items when you take our customer satisfaction [survey](#). Thanks for helping us improve and find new ways to serve you!

**Offer Expires: 2/28/10**
