Dear Friends,

Greetings from your local hub for all things green! After such a harsh winter, I know we're all feeling a little ripped off by this odd summer. But I hope you've still been able to enjoy your gardens, fireflies, sunsets, and vacations or staycations. We've been very busy at the shop, helping customers weather their landscaping and remodeling projects. And lately, several customers--some new, some old--have been popping in with news of a coming baby. We can't wait to meet a new crop of adorable GHE babies in the coming months!

This newsletter is dedicated to giving you info on new products, info about upcoming classes, and resources for your green needs. Be sure to check out our quick links at the top, and please [email us](#) with your feedback--questions, suggestions, or just a simple hello.

So sit back, relax, and enjoy! Yours,
Maria
