## Green Your Spring

*March 2009*

**Dear Friends,**

March and the change of seasons bring us new beginnings--grass will grow greener, days will be longer, birds will be singing, and we humans will be smiling. March signifies the beginning of Green Home Experts' 2nd year in business. My heartfelt gratitude goes out to everyone who celebrated GHE's 1st anniversary bash on February 28th. Over 100 guests were present to celebrate the unveiling of our new kitchen and bath gallery and to support the [Oak Park Animal Care League](#) and [OPRF Food Pantry](#). Hundreds of dollars were raised, boxes of food and pet supplies donated, and several customers were interested in adopting kittens from [CatVando!](#) Thank you all for supporting GHE and these wonderful organizations.

Now that we've turned the corner on our first year, we are proud to feature these three initiatives:

**1) Restore Cleaning Supplies:**

A variety of non-toxic, locally manufactured, concentrated cleaning supplies. Return to GHE with your Restore bottles to refill them from our bulk containers. Reduce packaging waste and save \$.25!

**2) CFL Acceptance:** As a free service to our customers, we now accept CFLs and send them to be disposed of properly. Any residential CFLs are welcome.

**3) Bulk Pricing Incentives:** Save 15% when you buy 4 or more packs of Nature Babycare wipes or BioBag dog waste bags. Also, Nature Babycare diapers are now 2 for \$24.

I look forward to celebrating a green spring with you all.

Yours,

Maria Onesto Moran  
President
